

[Main Summer Camp] Closing Remarks

Ms. Eunhae Jeong

Senior Development Management Expert

UN Office for Sustainable Development, Division for Sustainable Development Goals, UN Department of Economic and Social Affairs (UNOSD, DSDG, UNDESA)

Ms. Eunhae Jeong is a Senior Development Management Expert in the United Nations Office for Sustainable Development. Ms. Jeong graduated from Seoul National University and holds a master's degree from Yale University. She had worked for the Ministry of Environment of the Republic of Korea for 20 years before joining UNOSD. During her time in the Korean government, she established and implemented policies to achieve Sustainable Development in the field of water, climate change and biodiversity. She actively participated in the process of negotiation in UNFCCC, CBD, and Rio+20 including serving as a council member of the Global Environment Facility from 2011 to 2012. Currently, she is conducting a variety of research projects on Sustainable Development Goals as well as developing international capacity development programs by assisting developing countries' transition toward sustainability.

*Ms. Eunhae Jeong delivered her presentation at preliminary workshop for the session 2 – Overview of SDGs and its Progress.
