How the youth can participate into policymaking I

Local Level

National Level

Regional Level

Global Level

I Major points for accelerating synergies with the youth

Standing in Youth perspective

- Considering **the youth schedule**
(e.g. exam period, vacation season)
- **Needing time** for deeper thoughts

Following Global Goals

- Letting the youth to maintain attachment to **global understandings** for strong connection (e.g. HLPF, Y20, Etc.)

Connecting with Youth Group

- Establishing **mid to long term** and **sustainable Plan**
- Communicating as a **group unit**

Consolidating youth organizations

- Fostering communication through a **youth consortium** (e.g. Alumni)
- **Measuring the impact** of youth empowerment activities
