information on transportation to the venue is available below.

Incheon Airport Aviation Academy ([IAAA](#)) is situated on the same island as Incheon airport. IAAA lies west of the airport, in a non-residential area. The site was developed in 2008 to nurture aviation professionals from all over the world. The 11-story building with a total area of 73,000 m² comprises various facilities for training, conferences, accommodation and leisure.

Accommodation

The Incheon Airport Aviation Academy offers cosy rooms and various room-services for the convenience and comfort of the trainees. Accommodation arrangements and costs for the main summer camp will be taken care of by UNOSD. Food will also be offered, the cafeteria provides a comfortable environment and high quality menus.

**There are no accommodation arrangements for the one-day preliminary workshop.*

Tourism Information

Please find further information on tourist attractions, restaurants, shopping and more on the following websites:

- [Korea Tourism Organization](#)
- [Incheon Tourism Organization](#)
- [Incheon iTour](#)

Local Information

Language

The official language of the event and all documentation will be in English.

However, English is not an official language in Korea. Therefore, while airport and hotel employees may be conversational in English, taxi drivers and workers at smaller stores and restaurants may not (with the exception of downtown Seoul tourist areas).

Time Zone

Korean Standard Time is nine hours ahead of Coordinated Universal Time (UTC+9). South Korea does not observe DST.

Currency

South Korea's official monetary unit is Won (KRW or ₩). 1 USD is about KRW 1,136, with normal market fluctuations (as of April 4, 2019).

Shinhan Bank, KEB Hana Bank and Woori Bank Currency Exchange services are available at the Incheon International Airport.

*A list of available currency exchange locations are [here](#). Please select Terminal 1 or 2 and search for “currency exchange” in the Airport Facilities Search box.

Cash Advance Service

You can withdraw cash from the ATMs, for a reasonable fee. If you are using a foreign bank card, you should look for an ATM that says “Global ATM”.

Click on ‘Foreign card’ or ‘English’ (often at the bottom right-hand side of the screen) and insert your card to proceed.

Debit and Credit Cards

American Express, Diners Club, Master Card, and Visa are widely accepted at stores and restaurants in Korea.

Tipping

Tipping is not required nor expected in South Korea.

Weather

Korea has four distinct seasons. Summer is very pleasant, but temperatures might be high. July temperatures in Incheon range between a low of 21°C and a high of 27°C.

*Please find more information about weather in Korea [here](#).

Purchasing a Subway Ticket

Single journey tickets can be purchased from vending machines in subway stations (left picture). When using the machines, start by pressing “English” and follow the instructions. Once you select your destination, the total amount will show (transfer fee + deposit).

Once you arrive at your destination station, you can get refunded for your deposit by inserting the ticket (plastic card) into the deposit refund machine (right picture).

If you plan to travel around the city, you can also purchase a transportation card called “T money”, which can be used on public buses and subways in several different metropolitan cities and locations throughout Korea. With this card, you don’t have to buy a single journey ticket every time and you can enjoy discounts on rides during transfers from bus to subway or vice versa (within a transfer time limit). T-Money cards can be purchased from most convenience stores (CU, GS25).

Internet

Wi-Fi internet access will be available throughout the event. Free Wi-Fi is also common in many cafés and airports.

Electricity

The standard voltage in Korea is 220 volts. The outlet is the same type used in continental Europe and many other countries. 220V/ 60 Hz on following outlets:
