

SUSTAINABLE DEVELOPMENT TRANSFORMATION FORUM

KEY ACTIONS

**Source resources
for capacity
building and
research**

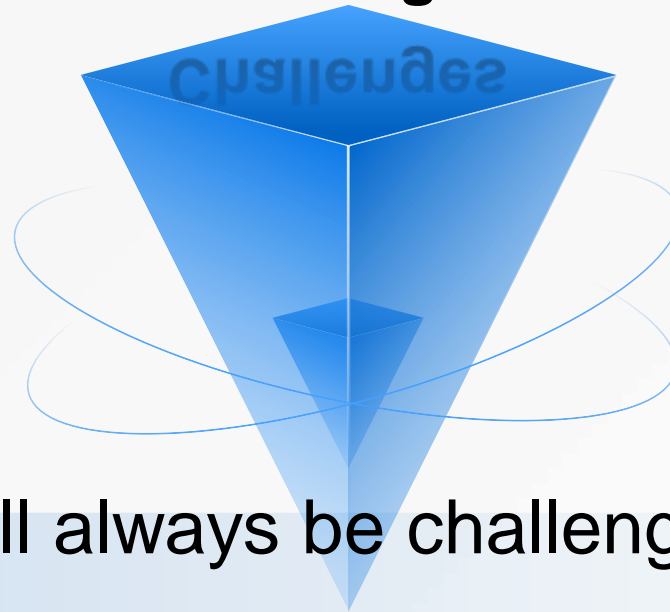

**Strengthen
Data For
Policy Makers**

**Use data to
convience policy
makers**

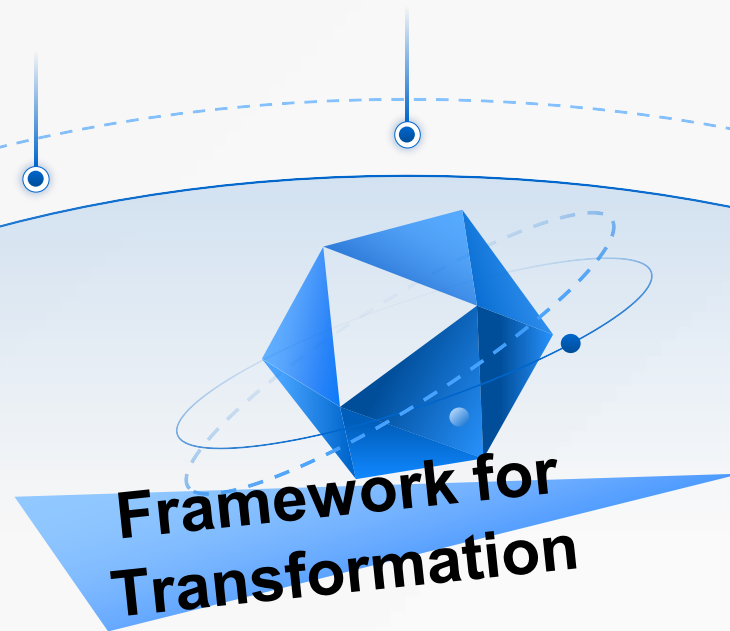

**Gather sufficient
data**

Implementation Challenges

There will always be challenges
as we implement the SDGs; Take
affirmative action and use
innovation

Countries need to understand and utilize the recommended entry points and levers for transformation to fast-track SDGs implementation

THANK YOU!
