Agenda

- Stakeholder Engagement in VNRs (Agenda 2030 and its SDGs)
- Stakeholder Engagement in NDCs (Paris Agreement)
- Meaningful and Effective Stakeholder Engagement?

Stakeholder Engagement as one of the Propounding Principles of the **2030 Agenda/SDGs - VNRs**

- All implementation and follow-up process to be **participatory and inclusive**, including all levels and sectors of government, civil society and the private sector, members of parliament, and national human rights institutions, among others. (para 74 and 84)
- **Stakeholders are recognized as valuable partners** in implementing Goals and raising public awareness. (UN DESA, 2024)

Growing Recognition: Stakeholder Engagement in **NDC**

21. Of the **79%** of Parties that referred to **formal arrangements in place for domestic stakeholder consultation**, **93%** indicated that they conducted **consultations and engagement in an inclusive and participatory manner** and **81%** of those specifically referenced **gender-sensitive consultations**.

(UNFCCC, “NDC Synthesis Report,” 2023)

Growing Recognition: referred in **Global Stocktake**

9. *Reaffirms that sustainable and just solutions to the climate crisis must be founded on **meaningful and effective social dialogue and participation of all stakeholders**, including Indigenous Peoples, local communities and governments, women, and youth and children, and notes that the global transition to low emissions and climate-resilient development provides opportunities and challenges for sustainable development and poverty eradication;*

(UNFCCC, Global Stocktake, 2024)

What is Stakeholder Engagement?

Who are the Stakeholders?

How can we make Stakeholder Engagement “Meaningful and Effective”?

Questions for consideration:

- Why does your country conduct stakeholder engagement for NDC/VNR development?
- What mechanisms and platforms are available for stakeholders in your country to contribute?
- How can contributions from stakeholders be presented in the NDCs / VNRs?

Thank you!
