THE GLOBAL GOALS
For Sustainable Development

SDGs 34 s:

- ❖ Implementation
- ❖ Integration
- ❖ Inclusiveness

The GoA since September 2015 has worked to integrate and mainstream Agenda 2030 across the national development policy framework.

- Align Agenda 2030 implementation with an ambitious policy and governance reform agenda, to prepare Albania for eventual membership in the European Union (EU).
- Accession to the European Union (EU) is an over-arching development priority supported by all major political parties in Albania
- EU integration processes have been key development drivers.
